MasterCard Debit Card Member Security

To help prevent fraud, your MasterCard Debit activity is continuously monitored for suspicious or unusual activity. If you are traveling, you may use your debit card in a manner that is not typical. By notifying us of your travel plans, and providing contact information we can help make your vacation better by preventing inconvenient declines as you try to use your debit card.

First Name: _____ Last Name: _____

Cellphone: _____ Email: _____

Signature of Cardholder: _____

ALTERNATE CONTACT

You may designate an "Alternate Contact". In case of potential fraud, we may contact this person to help us locate you. We will not divulge any transaction details to this person, nor allow them to speak on your behalf. We will only contact them for help in locating you. This is not required.

Name: _____ Phone: _____

AUTHORIZED CONTACT

If we cannot reach you, you may designate an "Authorized Contact" with whom we may discuss transaction details and who may speak on your behalf. This is not required.
